Guest Speaker

Three Counties Advanced Drivers presents....

Eric Simpson, Regional Senior Examiner for RoADAR

We are delighted to welcome Eric Simpson, Regional Senior Examiner for RoADAR and former Hertfordshire Police Inspector & Police Driving examiner & trainer.

Profile

Eric served over 30 years in the Hertfordshire Police Service, much of which was spent on Traffic Department. During his career he rose to the rank of Inspector, and was Head of the Driving School. In addition to policing the roads of Hertfordshire, Eric also has spent time on attachment to the Bermuda Police Service.

Eric is a real driving enthusiast, and has most (probably all) driving licenses. These include Class One Heavy Goods Licence, full Passenger Carrying Vehicle, and of course Motorcycle licence.

Eric has a very laid back style, but has a unique way of capturing the full attention of audiences, and gets his message over in a very memorable way.

It is indeed our honour and pleasure to welcome him back to the Group, and we urge the members to attend this meeting without fail!

Miss it, and you really will miss out!
